The What and Where

Well you've started reading this brochure so don't let us interrupt you. In a nut shell. This magnificent 57 acre bush setting is only 45 min from Melbourne along the Monash freeway and turn off at Officer.

Enjoy a true bush camping experience.

6.2 km of international standard mountain bike trail with new trails being opened during 2007. Trails suit both novice riders and experienced riders. Host of the World Masters Games in 2002, the Australian Junior Team 2005, the Vic-

torian Mt Bike Championships in Feb 2006 and the opening of Vic MTB Summer Series 2007.

A fabulous lake for swimming, boating, rafting and fishing activities. Areas for ball games and ample room for wide games. Bikes and canoes will be available for hire by late 2007 all you need is to supply the supervisors to ensure all aspects of safety requirements are adhered to. Enjoy the lovely bush Chapel for quiet reflection and solitude. **You will need to FEEL this special place to appreciate it.**

Over 100 sites for tents and caravans most with water but no power. Generators are available for hire at reduced rates.

THE MT BIKE CENTRE is HERE

The site has been built into a major Mt Bike Activity Centre for use by Scouts and Youth Groups alike. There are plans to build sleeping ac-

commodation, improve the ablution blocks, build kitchens so that all users of the area have a place to enjoy nature as it should be enjoyed but with some comforts. A special feature will be the ENVIRONMENTAL EDUCATION CENTRE planned for 2009

A second lake has been built for all to enjoy.

There are also plans to include an obstacle course, extend the bike trail, increase nature paths, extend the parade ground and build volleyball courts progress for the development of the site will be based on what Scout groups

schools, and other groups want us to provide.

All We Ask

That you use our facilities with the care and respect they deserve. Talk to us about improvements and about our facilities. Tell your friends, clubs, schools about us.
